I understand and agree that health and accident insurance policies are an arrangement between the insurance company and me. The Doctor's office will prepare reports and forms necessary to assist me in the filing of my claim with the insurance company but cannot guarantee reimbursement from the insurance company. Direct payments made from the insurance company to the Doctor's office will be credited to my account upon receipt and any balances due will be my responsibility. All services rendered to me are my personal responsibility and I agree to make payment for these services to the Doctor's office. I also understand that if I suspend or terminate my care and treatment, any fees for services rendered will be immediately due and payable. Should third party collection become necessary, I agree to pay all fees involved in collection of the account.

I authorize the Doctor to examine and treat my condition as deemed appropriate through the use of Chiropractic Health Care, and I give authority for these procedures to be performed. The amount paid to the Doctor's office for X-rays is for the examination only; the X-ray negatives will remain the property of the Doctor's office and will remain on file at the Doctor's office as long as I am a patient. I am the responsible party for payment of any treatment received or incurred on this account. This Doctor provides only chiropractic care and is not responsible for any pre-existing medically diagnosed conditions or for making any medical diagnosis.
